ENTRY RULES: We will accept entries postmarked on **October 24, 2016, or later, until either the maximum number of runs per day is reached or the closing date of November 30, 2016, whichever comes first.** Spaces in this trial will be allotted in postmark order, not in the order of receipt by the Trial Secretary. If more entries with the opening day postmark are received than the total number of slots available, priority entry will be given to a limited number of exhibitors who volunteer to help at the trial. The remaining slots will be drawn from randomly selected entries. If the trial fills on a subsequent date, the drawing will be made from all entries. Any entry not accompanied by payment in full will be considered invalid. Incomplete or inaccurate entries will not be accepted. No hand deliveries. Overnight deliveries must have the recipient's signature waived.

Confirmations will be sent via email. If you do not have email, your confirmation will be sent via postal mail.

IT IS YOUR RESPONSIBILITY TO MAKE SURE YOUR DOG'S NADAC REGISTRATION NUMBER IS CORRECT.

We have the right to refuse any entry. Anyone who is not currently in good standing with NADAC will not be allowed entry into the trial.

THERE IS NO CHECK-IN.

First dog on the line will be at 8:00 AM each day but, in the event of inclement weather, start time may be moved to 9:00 AM either or both days.

TRIAL SITE: This is a single-ring trial, indoors on dirt.

EQUIPMENT: Rubber matted contact equipment and 24" weaves will be used.

MEASUREMENT: Dogs under 18", entered in Proficient, and without a permanent height cards must be measured before they run. The Trial Secretary will contact you and arrange for measurement if your dog falls into this category. Dogs entered in Skilled do not have to be measured. Permanent height card measurements will be available during the weekend.

NOTE: Dogs in Skilled must enter 4" lower than their Proficient Standard jump height.

AWARDS: Purple rosettes will be awarded for all qualifying runs. Ribbons will be awarded for 1st through 6th place in each jump height in Novice classes. Ribbons will be awarded for 1st through 4th place for each jump height and class for all other levels.

CRATING SPACE: Crating space is very limited in this arena. Please do not plan on setting up a large crating area. If your space is too large, we'll politely ask you to reduce the footprint. Consider crating in your vehicle.

FOOD: Food vendor may be on site at the trial. We will update this in final confirmations.

HELP FOR NEW EXHIBITORS: WAG members will be available at this trial as helpers for exhibitors who are new to agility trials and would like to have someone to ask questions, ask for help on where to crate, what is happening, how do I find my score and what does it mean, etc. Look for the WAG members with special nametags. New exhibitors will also receive information from the Trial Secretary about how to prepare for their first agility trial.

DONATION: A percentage of the trial proceeds will be donated to a charity of the Trial Committee's choice. An additional amount will be added to the charitable donation in lieu of providing check-in toys at this trial.

“CONTAINERIZED” TRIAL: This is a “containerized” trial. Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a ziplock bag or small container such as a pill bottle. The container may not be visible in the ring or within 10 feet of the ring. You may not indicate to your dog that you have this item on you, i.e. by patting your pocket. The container may not be removed from your pocket until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none may be left lying about loose. This policy has been implemented to reduce the possibility of dogs' fighting over loose food or toys; diminish dogs' dragging their handlers back to their crates (or wherever they left their food); and lessen the amount of insects around loose food.

PLEASE CLEAN UP AFTER YOUR DOG

Aggressive dogs will not be tolerated and will be excused from the trial.

Dogs must be registered and have a valid registration number before entries will be accepted. NADAC registration forms can be obtained at the NADAC website, or dogs can be registered online to immediately receive a permanent registration number. - All dogs must be on leash when not competing in the ring.
- No leads, collars, food, toys, or other aids or devices will be permitted on the course at any time except where NADAC rules permit treats or small toys to be concealed inside a container such as a Ziploc bag inside the handler's pocket so it is not visible to people or to the dog.
- Checks will be held until the closing date. There will be a \$20 service charge for returned checks. Payment in full of entry fees and service charges shall be made by money order or cash before the first date of competition listed in this premium.
- 100% of entry fees will be refunded if requested before or on the closing date. After the closing date, injured or ill handlers or injured, ill or in-heat dogs will receive a refund, less a \$20 per dog handling fee. Verification from a doctor or vet may be requested.
- There will be no refunds in the event that a dog and/or handler is dismissed from competition, regardless of the reason for dismissal.
- There will be no refunds for withdrawals requested on or after the first competition date listed in this premium, regardless of the reason.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, acts of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- There shall be no smoking in the trial facility. There shall be no smoking within 10 feet of any building entrance, exit, window, or air intake vent.
- Running order will be determined at the club's discretion. An attempt will be made to separate runs for handlers with more than one dog in a class.

Non-Jumping Classes – Veteran or Disabled Handler: Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

IMPORTANT: Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

LEVELS: Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

SKILLED AND PROFICIENT CATEGORIES: Dogs must be entered in either the **Skilled** or the **Proficient category**. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran, or Junior Handler Division.

If you enter the Skilled category, you must enter your dog one jump height (4") lower than your dog's Standard jump height. (Four inches will remain the minimum jump height.) Dogs are allotted the standard course time for, and are scored and placed, in the jump height entered.

NADAC Intro Level FAQs

Information in this document is excerpted from content posted in www.nadacforum.com

From Sharon Nelson, NADAC President, on March 9, 2014:

We are proud to announce the addition of "Intro" as a level to the NADAC program! "Intro" is a level for the classes, just like Novice, Open and Elite. So now there are four levels to each class: Intro, Novice, Open and Elite.

The Intro level will be a shorter course than Novice. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. No other classes will have weaves in them. The Intro level will have no tunnel/contact discriminations. The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points and Superior Performance at 100 points for Chances, Jumpers, Tunnelers, Weavers, Hoopers, Touch N Go, Extreme Chances, Extreme Gaters, Extreme Barrelers, and Extreme Hoopers. For Regular, the basic title is at 30 points, Outstanding Performance is at 100 points and Superior Performance is at 200 points.

Dogs must be 18 months old and all other NADAC rules apply to entries.

Questions were posted by NADAC Forum users; answers were posted by Sharon Nelson.

Q - Is there Skilled and Proficient, Vet Handlers and Vet Dogs, and Junior Handlers?

A - Yes, exactly the same as any Novice entry.

Q - Are the yards per second going to be lower than for Novice courses?

A - No, they are the same as Novice, just a shorter course.

Q - There will obviously be qualifying scores. Will there also be placements?

A - That is up to each club. For instance, NADAC fundraisers do not have placements in any class but do have qualifiers.

Q. How long might a shorter course be?

A - For Regular and Jumpers, probably 8-10 obstacles; the other classes probably 5-8. It will certainly depend upon the individual original course design.

Q - All other rules apply, so are we correct in assuming that the dogs must be at the level of performing obstacles safely, working off leash, and that no treats or toys are allowed in the ring? And that the "one time per run" and handlers need to attempt the numbered course with maximum of standard course time etc. training in the ring rules still apply as in other levels?

A - Yes, you are correct in all of the above remarks!

Q - Can a dog that has titled in Novice/Open/Elite go back down into Intro level (thinking of semi-retired or restarting after time off)?

A - Yes, Intro is open to all dogs. An Elite dog could enter Intro instead of Elite if wanted.

Q - Since the course is different, there will be a separate walk thru?

A - Yes, the Intro people will walk their own course.

Q - It does not sound like this is involving EGC agility?

A - Yes, Intro includes EGC classes.

Q - Will Intro be a prerequisite before moving up to Novice?

A - No it is not a prerequisite for Novice. Competitors can still start at Novice if desired.

Q - If you start out at the Intro level, do you need to get Intro titles before you can move to Novice?

A - No, there is no titling requirement for Intro.

Q - How will Chances change for Intro? Will it just be closer line?

A - Just like all of the classes, it will be a shorter course and for Chances it will be a closer line.
