First dog on the line will be at 8:00 AM each day.

MEASUREMENT: Dogs under 18", entered in Proficient-Standard, and without a permanent height card must be measured before they run. The Trial Secretary will contact you and arrange for measurement if your dog falls into this category. No other dogs must be measured. Permanent height card measurements will be available during the weekend. Please see the NADAC Exhibitor's Handbook for the jump height table: www.nadac.com/rules.htm

NOTE: In the Skilled category, your dog's Standard jump height is 4" lower than its Proficient-Standard jump height.

Dogs age 9 and older must be entered in the Veteran Division (ie, either Proficient-Veteran or Skilled-Veteran).

Dogs age 12 and older must be entered as Skilled-Veteran.

ENTRY RULES: We will accept entries postmarked on September 11, 2017, or later, until either the maximum number of runs per day is reached or the closing postmark date of October 14, 2017, whichever comes first. Spaces in this trial will be allotted in postmark order, not in the order of receipt by the Trial Secretary. If more entries with the opening date postmark are received than the total number of slots available, priority entry will be given to a limited number of exhibitors who volunteer to help at the trial. The remaining slots will be drawn from randomly selected entries. If the trial fills on a subsequent date, the drawing will be made from all entries. Any entry that is not accompanied by payment in full will be considered invalid. We have the right to refuse any entry. Anyone who is not currently in good standing with NADAC will not be allowed entry into the trial.

EQUIPMENT: Rubber matted contact equipment and weave poles with 24" spacing will be used in both rings.

AWARDS: Placement ribbons will be awarded for 1st through 6th place in each jump height for each class, in each category, except Chances which is a pass/fail class. A purple qualifying ribbon shall be given for each qualifying round in each class.

These spaces are at the front and side of the Fairgrounds near the arena where the trial is being held. This rate also applies to overnight camping or sleeping in any vehicle (car, truck, van).
- **BCF full-service spaces:** Electrical, water, cable, sewer, and other goodies; access to restrooms and showers. These "deluxe" spaces are somewhat farther away on concrete slabs with grass surrounds. Check the RV park's website for rate and reservation information:

The Fairgrounds has wi-fi Internet accessible with a code; the code will be given out with payment.

To reserve a WAG space at \$28.50 per night: Mark the appropriate line on your trial entry form and send the additional \$28.50 per night to WAG with your entry fees. You will receive a camping tag by email, which must be displayed in your camping rig. You are not allowed to park in the deluxe spots for this price. Available on a first-come, first-served basis; there are 25-30 of these spaces.

PLEASE CLEAN UP AFTER YOUR DOG

THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor, whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the organizing committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

NOTICE TO EXHIBITORS

This trial is sanctioned by the North American Dog Agility Council (NADAC). Please refer to www.nadac.com for a full explanation of all NADAC rules and up to date information. **Exhibitors, through submission of their entry, acknowledge that they are knowledgeable of NADAC rules and regulations and relevant WAG policies, including but not limited to the following rules regarding entry, and agree to abide by all rules in effect at the time of this trial.** Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs. Aggressive dogs will not be tolerated and will be excused from the trial.

Dogs must be registered and have a valid registration number before entries will be accepted. Dogs can be registered online to immediately receive a permanent registration number: www.nadac.com/dogregform.htm

A copy of the current Exhibitor's Handbook may be downloaded for free from the NADAC website: www.nadac.com/rules.htm

Exhibitors may contact NADAC at support@nadac.com with general questions or for information.

- All dogs must be on leash when not competing in the ring.
- No leads, collars, food, toys, or other aids or devices will be permitted on the course at any time except where NADAC rules permit treats or small toys to be concealed inside a container such as a Ziploc bag inside the handler's pocket so it is not visible to people or to the dog.
- Checks will be held until the closing date. There will be a \$20 service charge for returned checks. Payment in full of entry fees and service charges shall be made by money order or cash before the first date of competition listed in this premium.
- 100% of entry fees will be refunded if requested before or on the closing date. After the closing date, injured or ill handlers or injured, ill or in-heat dogs will receive a refund, less a \$20 per dog handling fee. Verification from a doctor or vet may be requested.
- There will be no refunds in the event that a dog and/or handler is dismissed from competition, regardless of the reason for dismissal.
- There will be no refunds for withdrawals requested on or after the first competition date listed in this premium, regardless of the reason
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, acts of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- Exhibitors are advised that other public and private events may occur within the fairgrounds complex on the same dates as this trial. To ensure the continued availability of this site, exhibitors must conduct themselves in a responsible and respectful manner.
- Running order will be determined at the club's discretion. An attempt will be made to separate runs for handlers with more than one dog in a class.
- The Fairgrounds is subject to Benton County's tobacco-free policy. This policy does not allow the use of tobacco products and electronic cigarettes on property owned or occupied by Benton County, including doorways, front porches or outdoor foyers, parking lots, parks, natural areas and the Fairgrounds.

Non-Jumping Classes – Veteran or Disabled Handler: Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient-Standard jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

IMPORTANT: Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to www.nadac.com/forum within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.nadac.com/forum and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

LEVELS: Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

SKILLED AND PROFICIENT CATEGORIES: Dogs must be entered in either the **Skilled** or the **Proficient category for the entire trial**. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran, or Junior Handler Division. If you enter the Skilled category, you must enter your dog one jump height (4") lower than your dog's Standard jump height. (Four inches will remain the minimum jump height.) Dogs are allotted the standard course time for, and are scored and placed, in the jump height entered.

NADAC Intro Level FAQs

Information in this document is excerpted from content posted in www.nadac.com/forum

From Sharon Nelson, NADAC President, on March 9, 2014:

We are proud to announce the addition of "Intro" as a level to the NADAC program! "Intro" is a level for the classes, just like Novice, Open and Elite. So now there are four levels to each class: Intro, Novice, Open and Elite.

The Intro level will be a shorter course than Novice. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. No other classes will have weaves in them. The Intro level will have no tunnel/contact discriminations. The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points and Superior Performance at 100 points for Chances, Jumpers, Tunnelers, Weavers, Hoopers, Touch N Go, Extreme Chances, Extreme Gaters, Extreme Barrelers, and Extreme Hoopers. For Regular, the basic title is at 30 points, Outstanding Performance is at 100 points and Superior Performance is at 200 points.

Clubs can choose which classes they will accept Intro level entries into. So not every trial will have Intro level in all classes.

Dogs must be 18 months old and all other NADAC rules apply to entries.

Questions were posted by NADAC Forum users; answers were posted by Sharon Nelson.

Q - Is there Skilled and Proficient, Vet Handlers and Vet Dogs, and Junior Handlers?

A - Yes, exactly the same as any Novice entry.

Q - Are the yards per second going to be lower than for Novice courses?

A - No, they are the same as Novice, just a shorter course.

Q - There will obviously be qualifying scores. Will there also be placements?

A - That is up to each club. For instance, NADAC fundraisers do not have placements in any class but do have qualifiers.

Q. How long might a shorter course be?

A - For Regular and Jumpers, probably 8-10 obstacles; the other classes probably 5-8. It will certainly depend upon the individual original course design.

Q - All other rules apply, so are we correct in assuming that the dogs must be at the level of performing obstacles safely, working off leash, and that no treats or toys are allowed in the ring? And that the "one time per run" and handlers need to attempt the numbered course with maximum of standard course time etc. training in the ring rules still apply as in other levels?

A - Yes, you are correct in all of the above remarks!

Q - Can a dog that has titled in Novice/Open/Elite go back down into Intro level (thinking of semi-retired or restarting after time off)?

A - Yes, Intro is open to all dogs. An Elite dog could enter Intro instead of Elite if wanted.

Q - Since the course is different, there will be a separate walk thru?

A - Yes, the Intro people will walk their own course

Q - It does not sound like this is involving EGC agility?

A - Yes, Intro includes EGC classes.

Q - Will Intro be a prerequisite before moving up to Novice?

A - No it is not a prerequisite for Novice. Competitors can still start at Novice if desired.

Q - If you start out at the Intro level, do you need to get Intro titles before you can move to Novice?

A - No, there is no titling requirement for Intro.

Q - How will Chances change for Intro? Will it just be closer line?

A - Just like all of the classes, it will be a shorter course and for Chances it will be a closer line.
